IN DEDICATION

Courteous and cheerful every day,

Loyal to A. H. S. in every way,

Original and quick to get things done,

Youthful when it comes to sharing fun,

Efficient in an orderly routine.

Sincere and sympathetically keen,

Helpful to the student in distress,

Enthusiastic, always does her best.

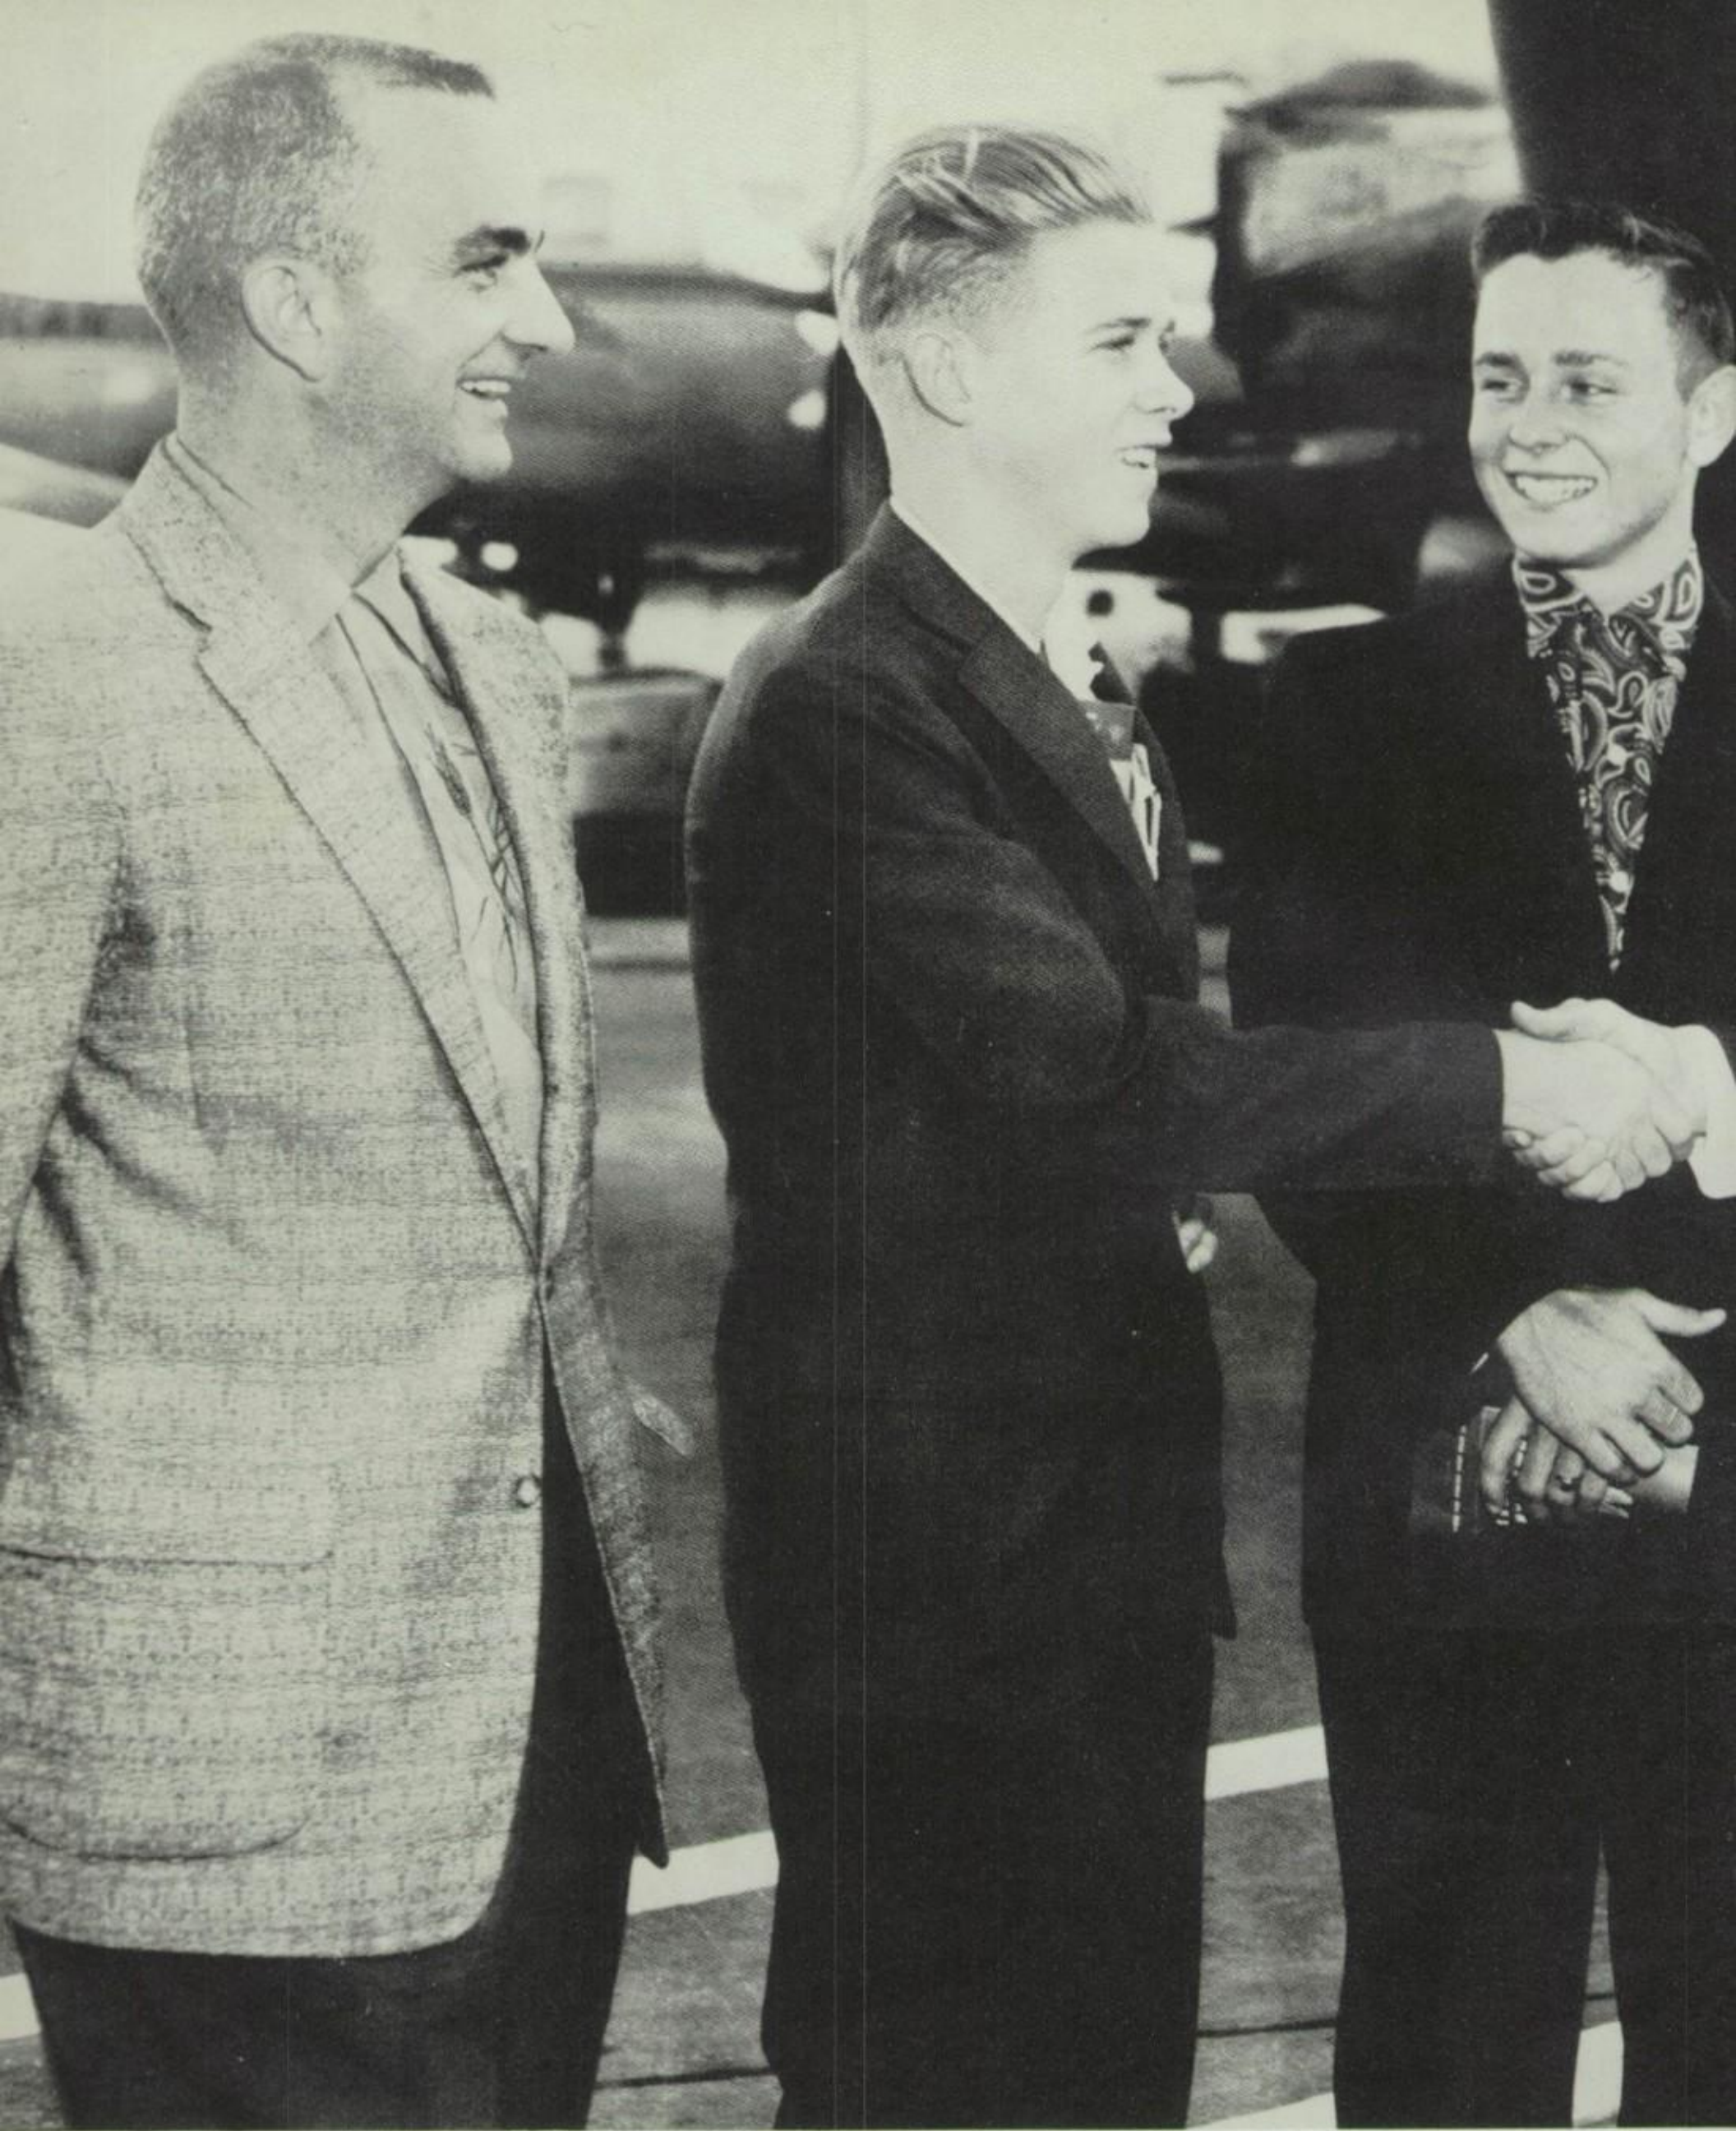

Radiant with a glow of inner light,

Respected for her fairness, sense of right.

O G. A., a club that gives the clue--

Dedicated, Mrs. Cloye Sherrod, to you.

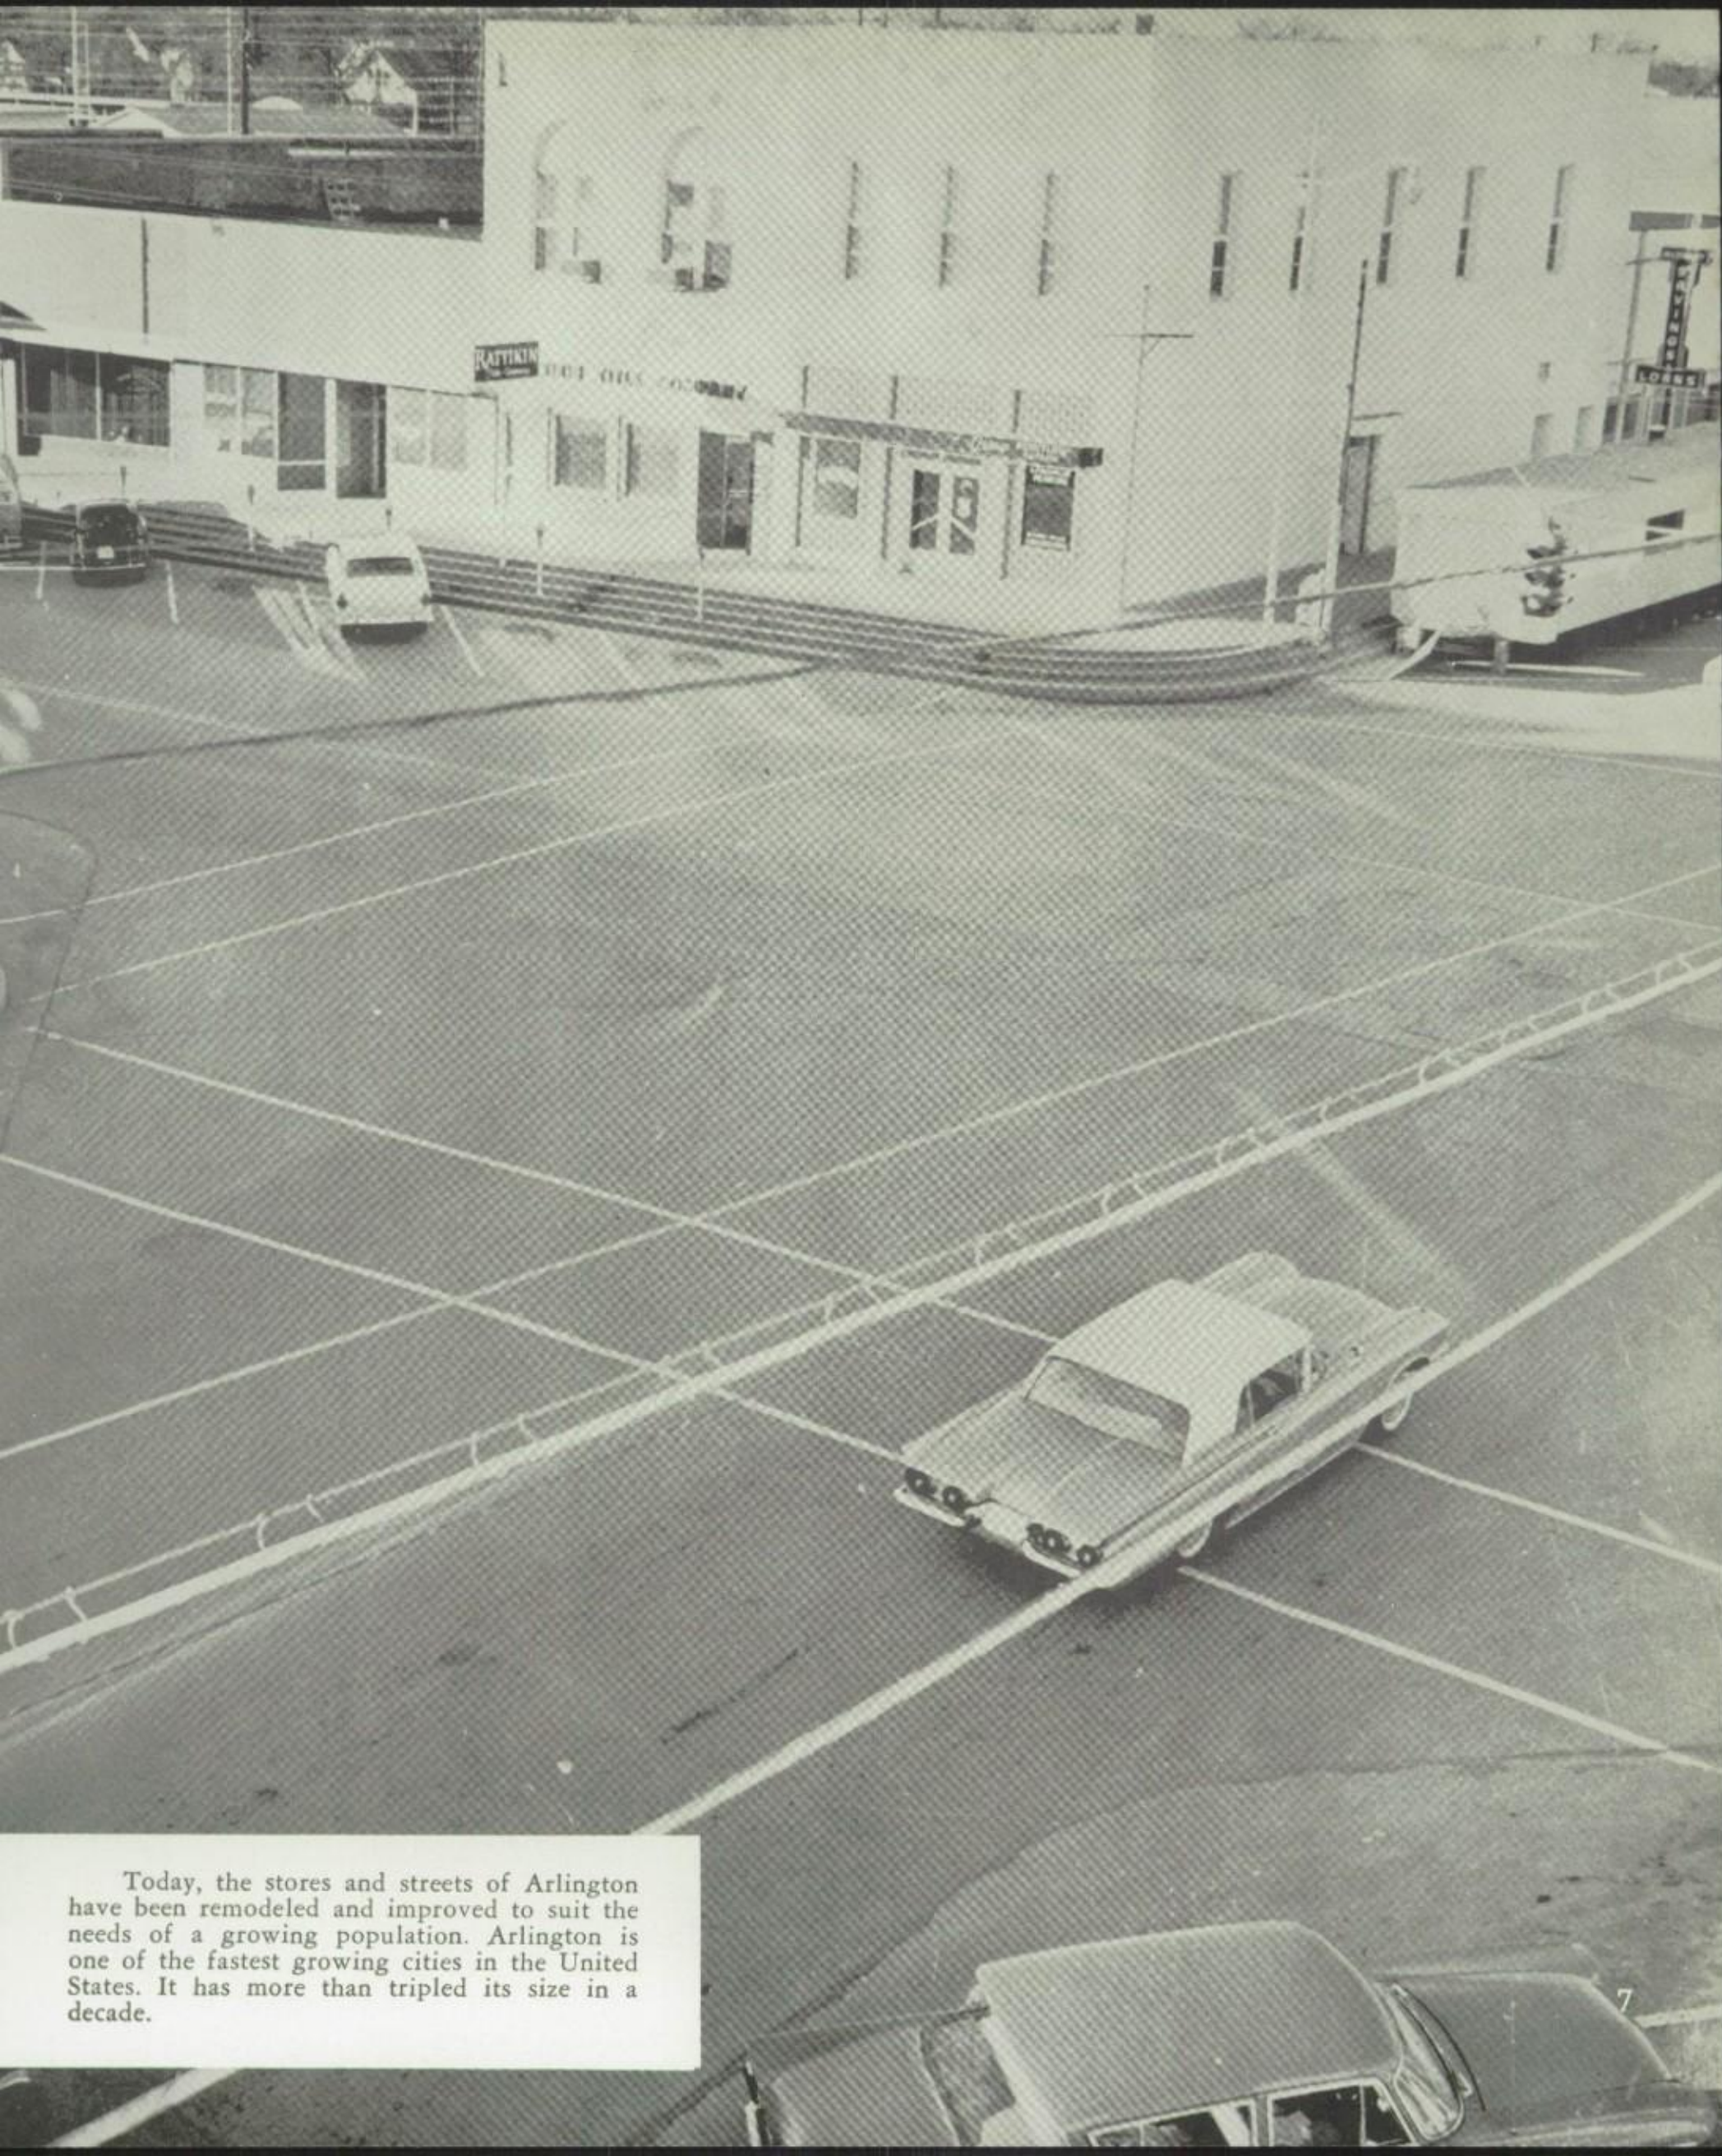

Welcome to Arlington

Downtown Arlington was once a gathering place of many of the citizens. The well in the middle of the street was the center of attraction.

Today, the stores and streets of Arlington have been remodeled and improved to suit the needs of a growing population. Arlington is one of the fastest growing cities in the United States. It has more than tripled its size in a decade.

This is the first 1916 Ford Sedan in Arlington, Texas. The accessories were few and even the necessities were not in the best condition. The Sedan was known for its wide running boards and its thin tires.

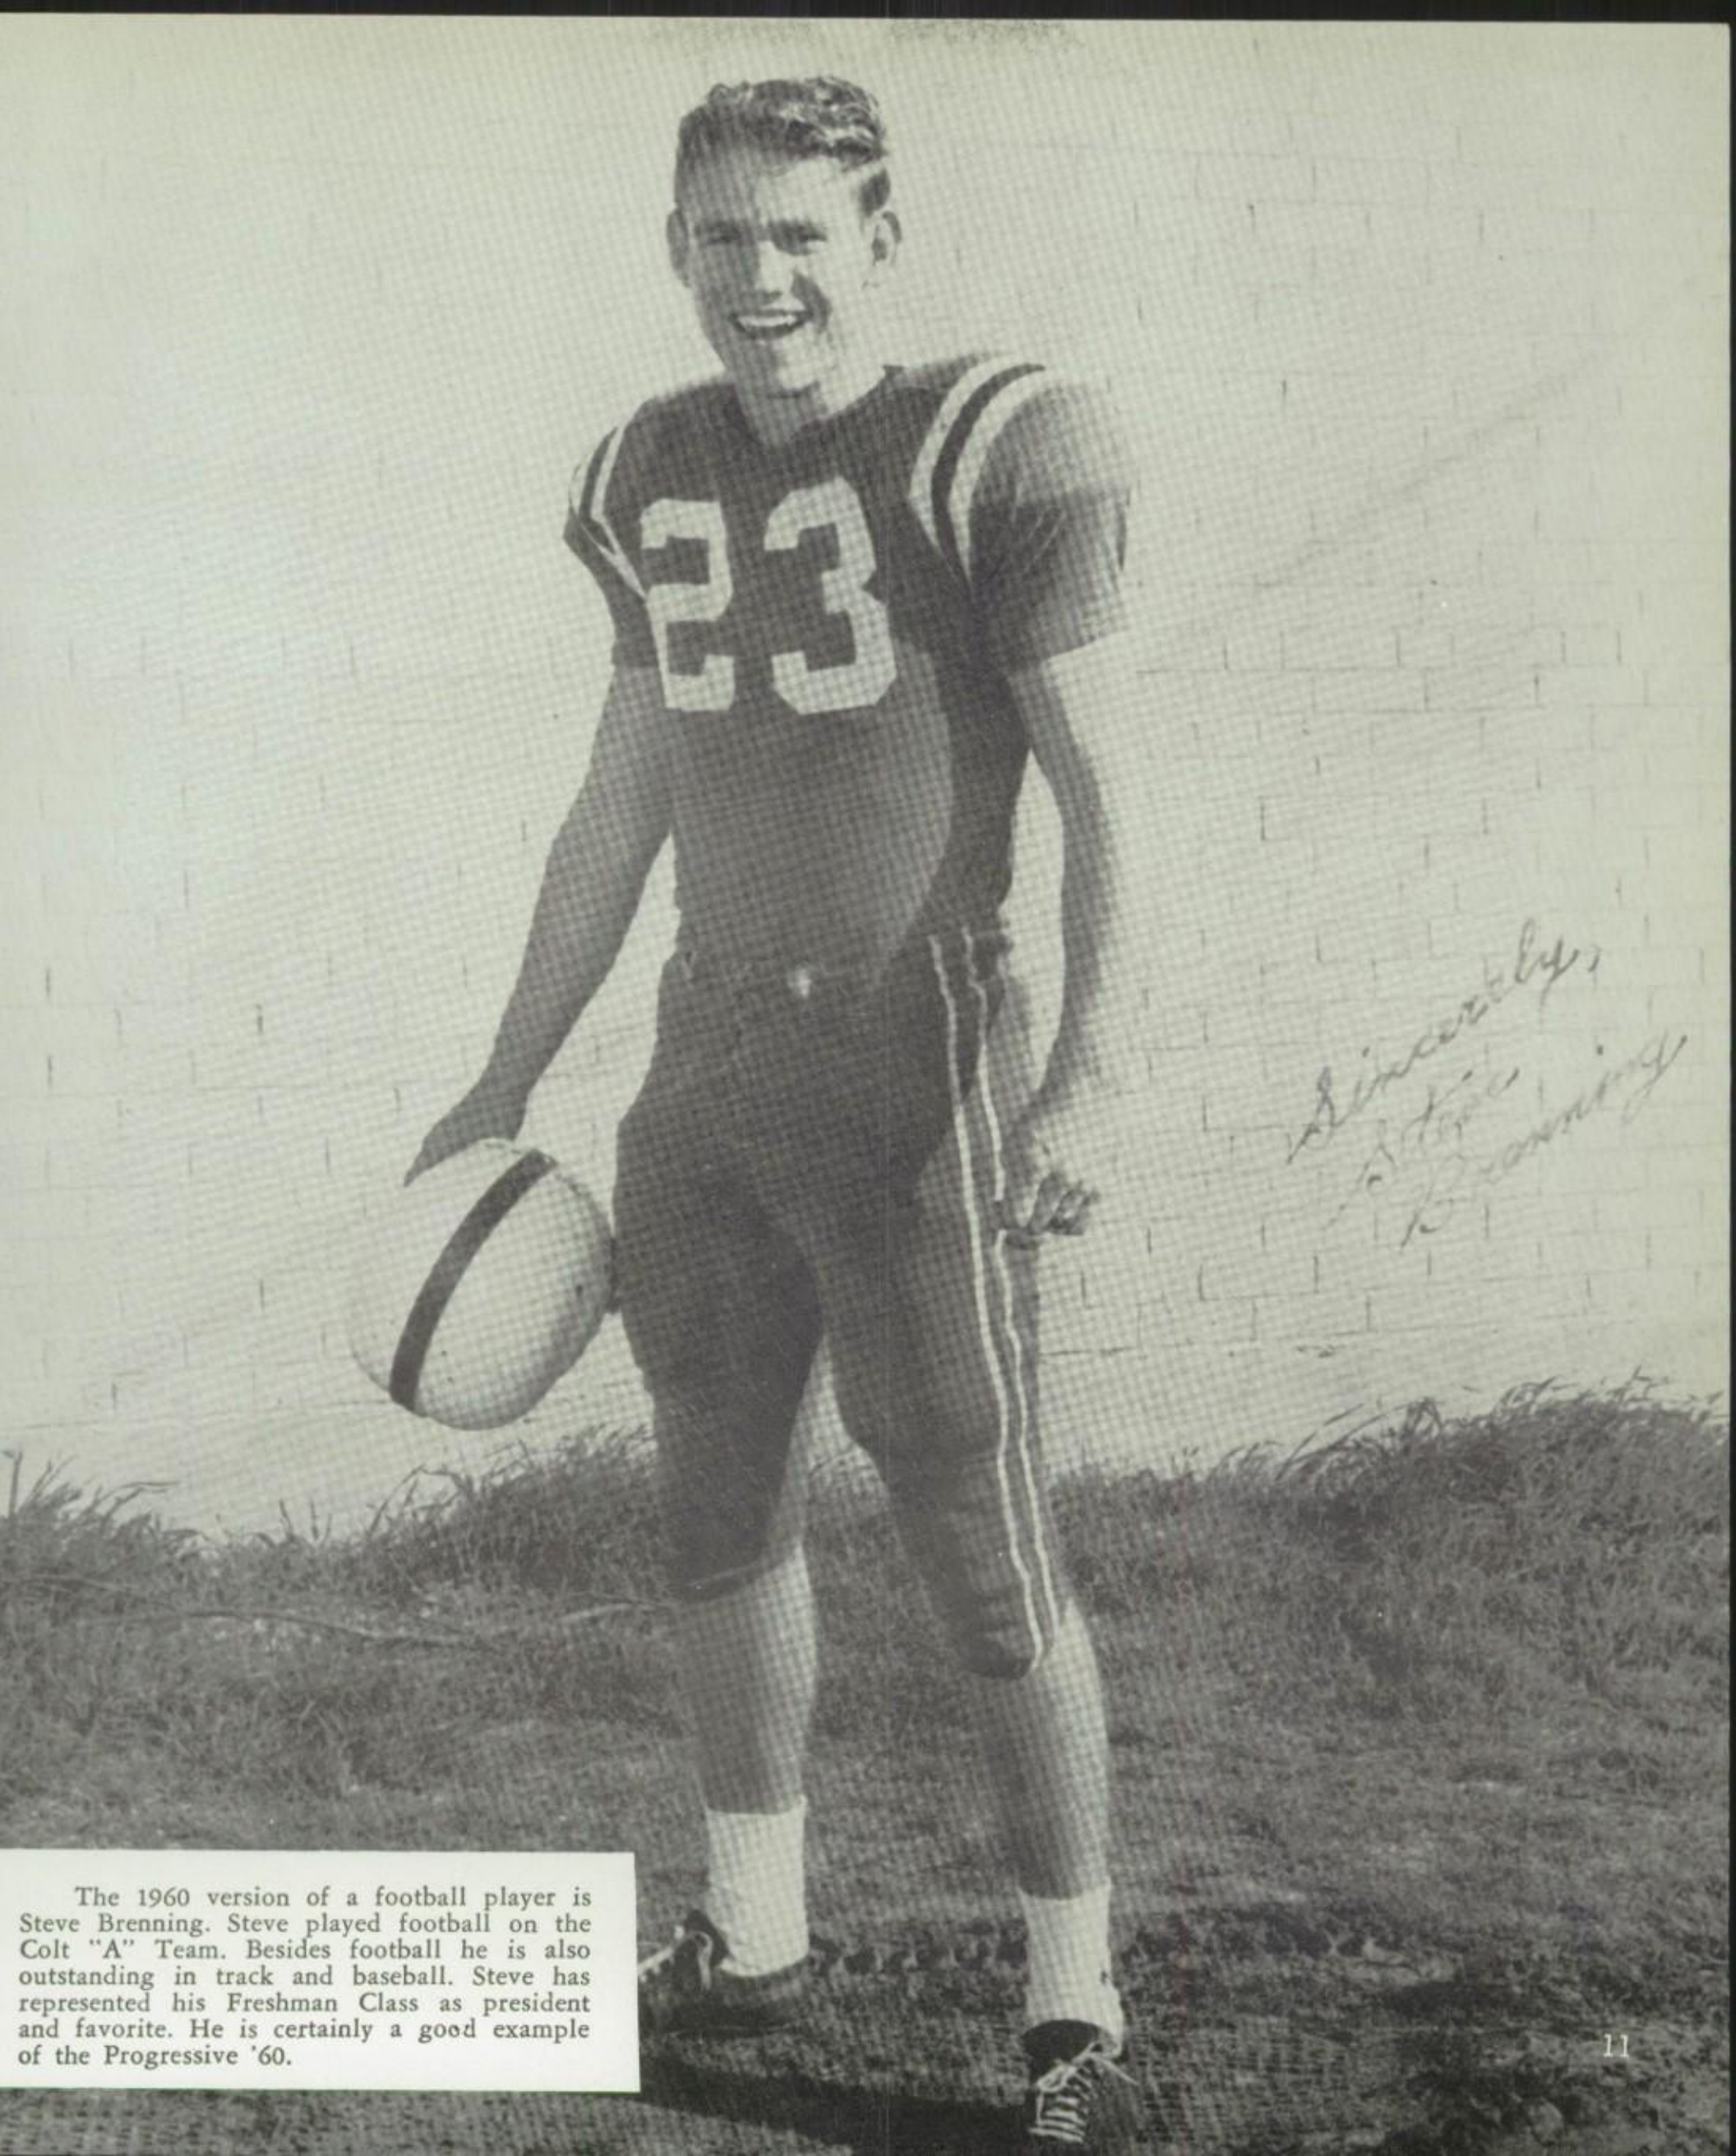

As anyone can see, the change in cars from 1916 to 1960 is remarkable. The car of '60 contains all the luxuries and conveniences of this modern age.

The football player of the past is represented by Robert Fielder. Robert was a very prominent member of his class. He was graduated from Arlington High School in 1925. Mr. Fielder is the originator of the Fielder Award for outstanding students. He is quite a contrast of the football player of today.

Sincerely,
Steve Brenning

The 1960 version of a football player is Steve Brenning. Steve played football on the Colt "A" Team. Besides football he is also outstanding in track and baseball. Steve has represented his Freshman Class as president and favorite. He is certainly a good example of the Progressive '60.

The main building of Arlington High School was first built in the year 1934. Its years of service will long be remembered by its ex-students.

In contrast to the former high school, a new building was erected in 1956. All of the students and faculty regarded the new school with praise and admiration.

ORGANIZATIONS AND ACTIVITIES

Faculty and Students:

Serving as your Student Body President, and representing such a fine student body has been a great honor and privilege this past year. This year the Student Council sponsored many activities, and I would like to thank all of the members, students, and faculty for their hard work in making these activities such a success.

I hope that I have represented our school and directed the council in a way which will be abreast with the high standards of Arlington High School.

Sincerely,

John Tierce

Student Council

The officers of the Student Council are from left to right: Ronny Jones-Sergeant-at-Arms; Joy Burress-Secretary-Treasurer; John Tierce-President; Benny Hollingsworth-Vice-President; and E. L. Atkins-Parliamentarian.

The Student Council, the backbone of student body organization, provides training in leadership, citizenship, and government. Headed by an executive committee, the Student Council is composed of representatives chosen from each home room that meet every two weeks to work out any problems arising in the student body. This organization has done much to promote good will and harmony between faculty and students, and school spirit throughout its many years of existence. By hard work the Student Council has provided A. H. S. with such articles as a flag and hi-fi equipment and has succeeded in obtaining sponsorship of our foreign student, Leslie McFadden. It also sponsors such extra-curricular activities as the Valentine Dance, Western Day, Twirp Week, Homecoming, and the Halloween Carnival.

HOWDY!

Howdy! Welcome to Arlington High School. Howdy Week, the first big event of the year at A. H. S., launches forthcoming activities by getting everyone acquainted. Throughout the halls, echo Hello's, Hi's, Howdy's and the Alma Mater and Fight Song. The sophisticated seniors show their honors such as senior rings and display their authority by making the lower classmen bow to their will. The Juniors, old hands at the game, good-naturedly concede to the rule of their senior superiors and take

part in the code of upper class priority themselves. This week is the first activity after registering for the sophs, and sore throats and harried expressions are the after effects of it. It is perhaps the most important for them, for it is their first taste of

high school tradition, but it is also an institution enjoyed by all and for all.

To all who are a part of A.H.S:

A lot of hard work and planning have gone into this annual, for 1959-60. Many hours have been spent after school and on weekends. Many laughs and memories have been written into these pages. Every member of the annual staff has worked to make your annual the best ever.

Speaking for the staff, it was worth every minute spent. We hope that you are as proud of this year's Colt Corral as we are. We have enjoyed it for a year and now we give it to you.

Sincerely,

With layout sheets and typewriters, pencils and paper, and a wide assortment of talent, the Colt staff works unceasingly to prepare our school newspaper. In sixteen issues, one every two weeks, the Colt prints a picture of the life and happenings at AHS. Subscribers must be found for ads. Pictures must be taken, developed, and printed. With pencil and rule the editors plot the course of their pages, being sure to obtain needed copy by assignment. Stories must be written, checked, and rechecked in an effort to obtain perfection. All in all the Colt gives members of our school who have some form of journalistic talent and enjoy writing and operating a school newspaper an opportunity to express themselves in an interesting and important advocacy.

The name, Library Service Club, indicates the purpose of this organization. They aid our librarian, shelving, and processing. Reserved books for various subjects provide conveniency for both students and the library assistants. These members also publicize new books through library displays and hall showcases.

District officers for past year; Carol Fabel was vice-president.

New district officers for '59-'60; Nita Jo Nix is the president.

One of the activities of the Library Service Club is their annual district convention. The convention for all librarians and their assistants from District VII was held on November 21 in our high school auditorium. Mr. Robert Dumas of the Dallas Public Library was their featured speaker. An election was held to elect new district officers. Nita Jo Nix was elected the new president of District VII. Each school provided entertainment. Performing from Arlington High were the Quintones, Rose Ann Lowry, and a cast presenting scenes from three different plays, including "Mama's Bank Account."

Talent is Their Business

The Choraliers, Arlington High's number one singing group, each year entertains at various school and community functions. Among these engagements are the annual Christmas carols, Koral Kapers, and the end-of-school program.

The May induction and loss of senior choir members creates much anticipation for "hopefuls".

This year, for the first time, the choral department acted as host to the All-Region Choir. Having spent the night in the homes of students, February 19, the out-of-town guests presented a concert February 20th.

"And now we proudly present the Arlington High School Colt Marching Band under the direction of Mr. Dean P. Corey". These famous words have been heard each Friday night during football season for many years. It is then that the band proudly presents its feats of accomplishments. For the last ten years the band has never placed lower than a first in the Interscholastic League Marching Contest. In May of this year, the band plans to attend the Tri-State Band Festival in Enid, Oklahoma.

The Honorable Sam Rayburn, Speaker of the House of Representatives.

Arlington High School's student body has been encouraged and informed of a future place in society through the advice of various distinguished speakers. Their subjects have included religion, government, and safety. Covering the subject of religion have been Bishop William C. Martin and E. Stanley Jones. Both are well-known and widely traveled. Bishop Martin's talk was centered around the theme. "God has a place for each individual." E. Stanley Jones spoke on our dedication to Christ early in life. From a background in government came the Honorable Sam Rayburn, Speaker of the House of Representatives. The theme of his speech was "Success in Your Life." Highway safety was the topic of Sergeant Blankenship of the Texas Department of Public Safety. These four men have made lasting contributions to our students.

Officers: Jimmy Risher, President; Jerry Jones, V. President; Sandra McLellan, Secretary; Jack Marty, Treasurer; Judy Phillips and Bubba Eppes, Social Chairmen.

Our Motto

The Safety Council consists of a group of students chosen from their homerooms who are interested in promoting safety around the school. These students help in directing various fire drills and try to help keep the traffic situation in the parking lot straightened out. They also are concerned with informing the students and faculty of the different safety pro-

cedures in case of emergencies such as tornadoes and air alarms.

This year safety week started off with a guest speaker, Sergeant Blankenship who spoke to the entire school on the subject of safety. The week was climaxed with a dance on Friday night.

f Tomorrow

The Future Nurses Club, though it has only been in existence three years, has been very active. This year, especially, has been a year of activity and service for the club. The energetic members will always remember working on the float, repairing toys for the Christmas party given for the needy children, and going to the state convention in Austin on March 11 and 12. Another project was the decision to run one of the members for a state office, quite an undertaking for a three-year-old club. None of this could have been accomplished, however, had it not been for a complete enthusiasm and support on the part of the members.

Try-Outs Held...

The announcement of approaching cheerleader try-outs caused much excitement among sophomore and junior girls. Many weeks of practice, resulting in sore muscles and hoarse voices, went into the making of good cheerleaders. The process in selecting them was a little different this year. The hopefuls were required to write a theme on their qualifications, in addition to making satisfactory grades scholastically. Because so many girls wished to try-out, it was necessary that this year's cheerleaders and their sponsor, Miss Melba Roddy, eliminate the number to twelve finalists. These girls performed before the sophomore and junior classes. Then ballots for voting were distributed among these two classes, and next year's six new cheerleaders were announced!

Each teacher at Arlington High School has a hobby of one kind or another. Among the hobbies which the teachers have now or have had in previous years are such things as gardening, bowling, raising pigeons, fishing, traveling, and flying. These hobbies are reflected by the teacher's personality and each one is so very different from the other that it makes them all outstanding. Yes, the teachers of A.H.S. do have various hobbies and it is quite interesting to have them tell about them.

Just Dreaming???

Arlington High School was host to the Region X Chorus when seven other North Texas schools converged on the city to join 16 local students in presenting a concert on our stage.

The All-Region Chorus is a new idea and was organized to provide an opportunity for more students to participate in a workshop-type of program under an experienced director.

The concert was free and open to the public. Directing the concert choir of 118 voices was Travis Skelton, member of the S. M. U. Music Faculty.

Visiting choir members came from Birdville, Denton, Garland, Grand Prairie, Sherman, Grapevine, and Gainesville and stayed with members of the A. H. S. choral department.

A mixer was held after the first rehearsal session and everyone had a blast!

The Student Store supplies the materials needed by every student of Arlington High School. These supplies include such things as workbooks, notebooks, pencils, erasers, and rulers. During the day, the store is opened before school, as well as first, fourth, and six periods. Those who work in the store are given the opportunity to serve the students of AHS and they also gain experience in salesmanship.

Ronnie Haag and Jackie McMurtrey sell supplies to two students.

Ladies Prepare Meals

Can you imagine the chore that cooking would present for a mother of 1450 children? Perhaps a boy could vision the life of a mess sergeant in the services. This is what our cafeteria ladies experience daily. Their day starts at the time the student's day begins. They begin to prepare meals planned by the dietician. They eat lunch about mid-morning so that they can serve the three hungry mobs as they arrive in shifts. Their day is climaxed with the cleaning of the dishes and kitchen. Where else can one buy so much for so little than at school?

Performing general repairs and various cleaning activities are the "keepers of the school", the custodians. They are divided into individual groups and are assigned a specific section of the school to clean and to keep in order. Jobs range from replacing light bulbs and repairing desks to waxing and mopping the floors and halls. The slick, waxed cafeteria floor aids in a successful dance, but too often credit is not given where it is due! With the new wing, custodians have additional duties.

Season's Review

Not since the Arlington Colts won State championship in 1951, have the Colts posted a better season's record. The Colts emerged from the season with an 8-1-1 record and second place in District behind State finalist Wichita Falls, the powerhouse which was held to a mere 14 points margin. One of the most impressive victories was over Carter-Riverside, who suffered their only loss in regular season play. The Eagles went on to win their district honors and go into State playoffs. The only real disappointment was the Grand Prairie game. The neighboring foes, out, to ruin the perfect record, played far above their heads to hold the Colts to a scoreless tie.

Colts 'Dog' Steers, 12-0

The Colts of 1959-60 opened in grand fashion, stampeding the North Side Steers 12-0 at Memorial Stadium.

Strong ground power accounted for all the Colt touchdowns as the passing power seemed to fail. The Colts gained only 14 yards in six passing tries. Hardly what they were expecting to do.

Arlington stopped a powerful Steer drive when Cleddie Keith recovered a Steer fumble. Nine plays later, Steve Brenning slipped over for the first touchdown for the Colts this year. A pass attempt failed, and the score stood 6-0 at the half.

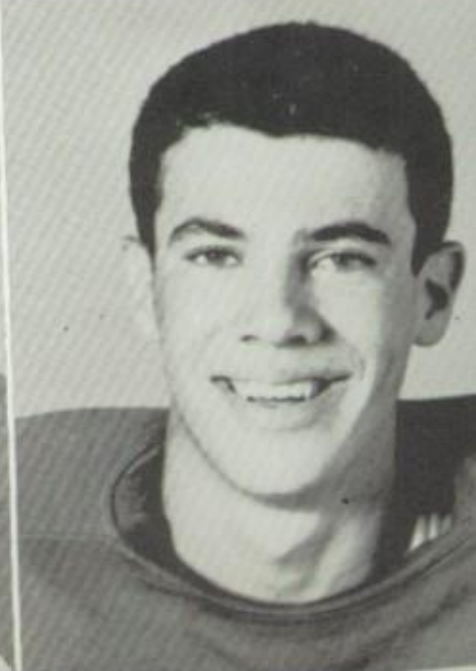

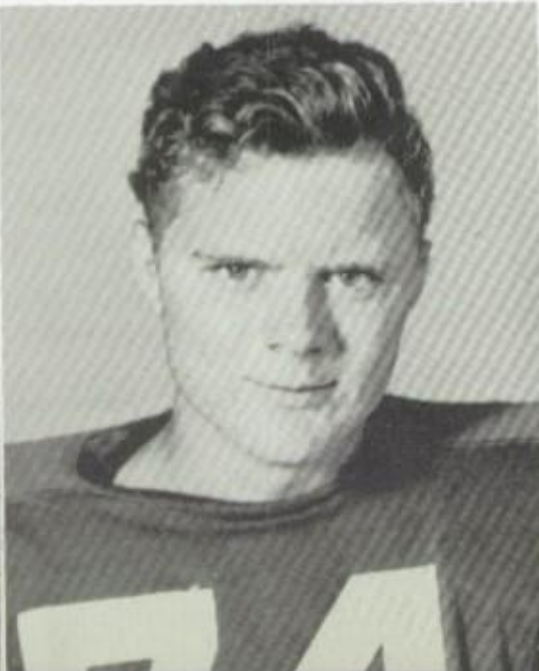

Taking the kickoff of the second half, the Colts moved to their second tally. Tommy Cravens and signal-calling Benny Hollingsworth took a big part of the needed 58 yards to paydirt. It took 10 plays to cover that distance. The ball was carried to the 11 yard line by Bobby Biles who had just received a six-yard pass from Hollingsworth. Mike Inlow got the ball and lugged the pigskin into the end-zone, but not before a Steer sank deep into his midsection. The ball squirted high into the air, bounced around, and was covered by Tommy Cravens. The point after was no good since Biles caught the pass out of bounds.

Colts Overcome Deficit To Drop Lions

Arlington High's Colts stormed from behind to decision a determined Greenville eleven, 14-13. Striking long and late, the Colts managed to overcome a 6-0, Greenville halftime advantage fashioned on several Pony miscues. The Lions drove 41 yards in 8 plays to put the first tally on the scoreboard.

The Colts mounted their first serious offensive late in the first half on Hollingsworth's passing and a heads up catch by Mike Inlow on a muffed pass. The drive died on an intercepted pass.

Arlington struck early in the second half as Brice Houston momentarily bobbled the kickoff, then picked it up and scampered 87 yards to knot the score. The swift Junior outran 3 defenders for the last 50 yards to paydirt.

The Lions scored again in the third period after recovering a Colt fumble to go ahead 13-6. Early in the final period the Colts marched 81 yards to tally the winning touchdown. Big play in the drive was the final one as Jay Houston took an aerial up the middle. He used a fine downfield block and some nice running to go 27 yards to score. Hollingsworth threw to Inlow for the crucial extra two points and the scoring was over.

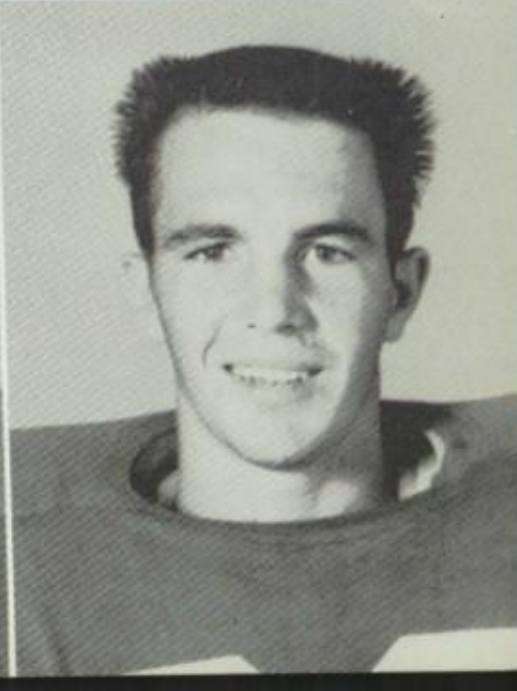

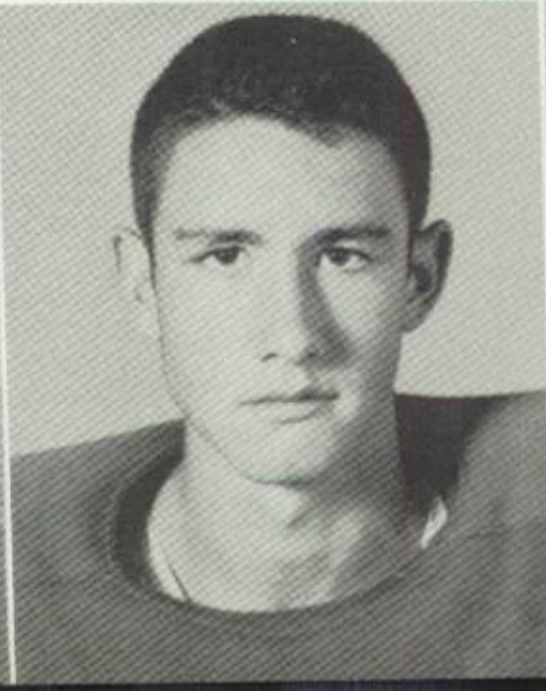

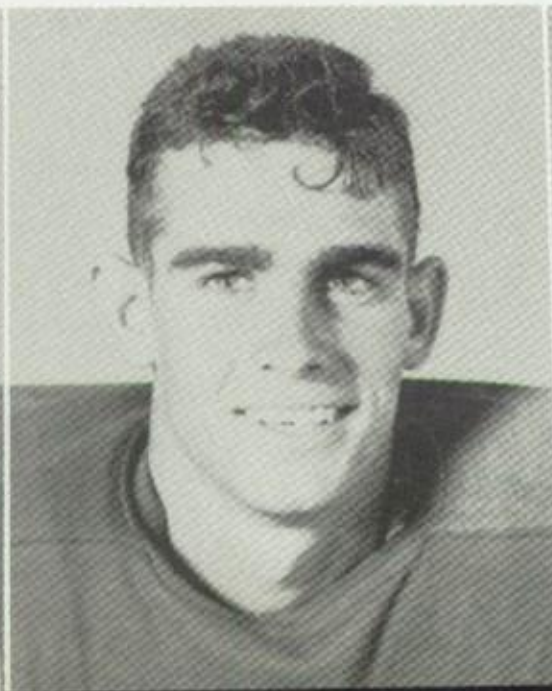

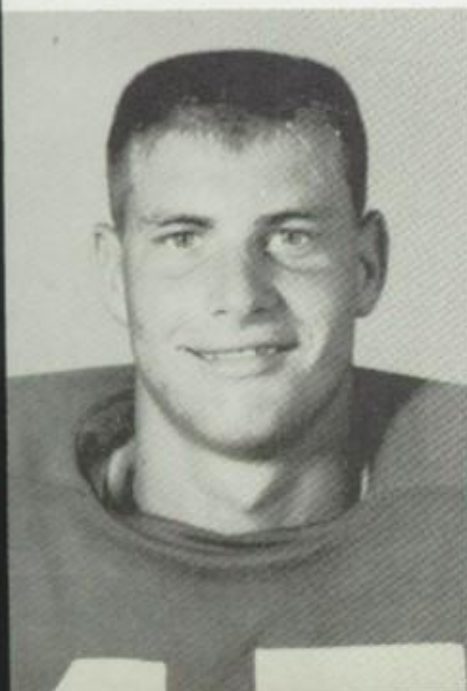

On defense, the Colts were good, especially Lucian Palmer and David Busse, who combined to give the Colts some fine work in the middle of the line. Cleddie Keith, Steve Brenning and Wes Wright made some nice tackles on the under plays.

Arlington Rides McKinney Lions

Arlington turned on the Colt power and tromped the McKinney Lions 30-15. However, the Lions looked good at the first of the game. The ambitious team got the ball and drove 80 yards for the score. But the Colts were not to be beaten. Hollingsworth and Co. ripped 74 yards in 13 plays to score. The greatest damage came from Hollingsworth relentless roll-outs. His biggest plays burst for 21 and 11 yards. Benny then dropped back and calmly let Bobby Biles for the tally. Tommy Cravens ran over to make the score 8-6, Colts. Never again were they behind.

The Lions looked dangerous at the beginning of

the second quarter, but they fumbled away their chances. Hollingsworth turned on the steam and headed for paydirt, driving over from the three. Following the kick-off the Colts had possession after three plays. Dick Carmichael stepped in and drove for 6 more points. With 8 seconds left, Cravens picked up two extra points.

Midway thru the third quarter, guard Steve Jackson intercepted a Lion pass and raced 17 yards to a touchdown. Hollingsworth added the extra points and the Colts called off their horses with the score 30-7. The Lions scored with one minute left in the game leaving the score 30-15.

Colts Use Defense To Stop Owls, 24-0

Arlington's Colts racked up their fourth consecutive victory, parlaying brilliant defensive play and Garland mistakes into a surprising 24-0 triumph over the previously unbeaten Owls. The Colts picked up their first touchdown when the Garland defensive secondary made their first mistake of the night. They let end Tom Menz wander 29 yards deep into Owl territory at the 5-yard line and Quarterback Hollingsworth promptly lofted a pass into Menz's outstretched arms. Hollingsworth scored from the one-line yard line.

The Owls recovered a Colt fumble at the 25 to set up a great opportunity for them, but the drive ended on a pass interception by Steve Brenning, who played a great defensive game. He moved the ball out to the

Colt 32. From this point, Arlington marched 68 yards for the score. Tommy Cravens crashed over the tackle for the final two yards.

The next Colt touchdown came when Skipper Johnson recovered a Garland fumble at the Owl 15. Two plays later Hollingsworth rolled off right tackle for the tally. David Busse personally accounted for the final score. He slashed through the Garland line, blocked a punt at the 22-yard marker and then raced into the Owl end zone and recovered the ball for a touchdown.

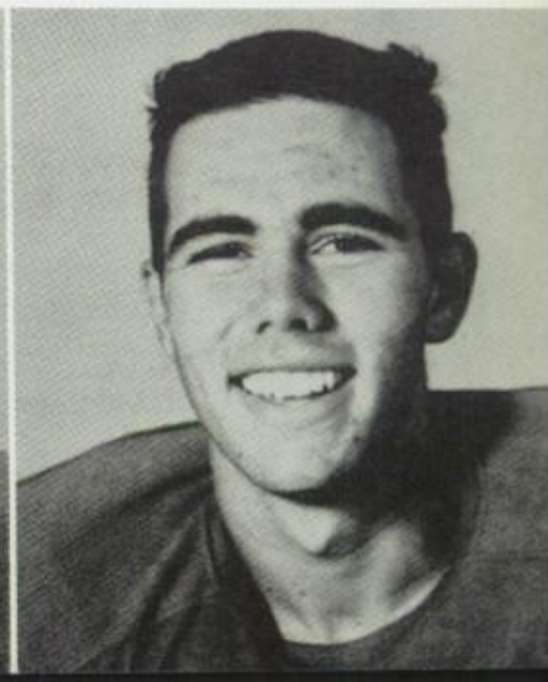

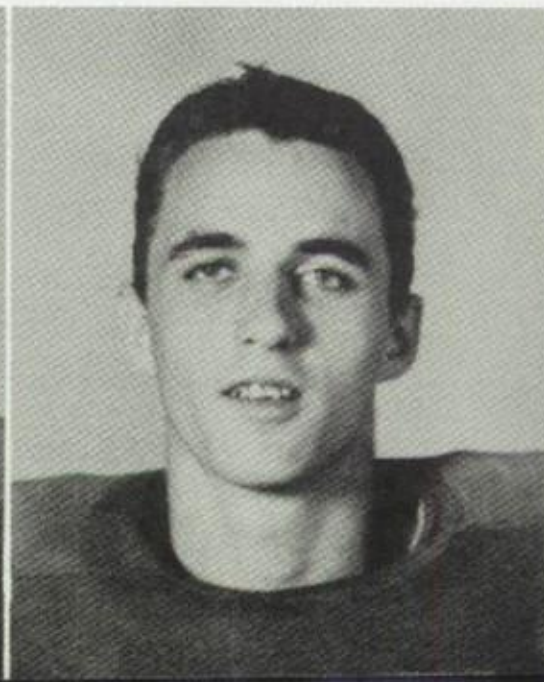

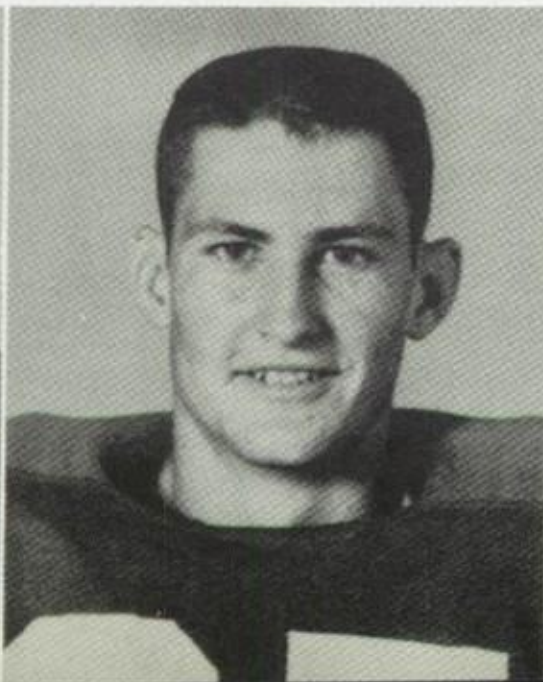

Arlington's great defensive play centered around Brenning, Cleddie Keith, Steve Jackson, Lucian Palmer, Jimmy Risher, Bobby Biles, Skipper Johnson, Andy Wright, Simpson Garrison, and Busse.

B's Gamble Pays off for 8-7 Victory

Arlington's Benny Hollingsworth, a triple-threat quarterback, gambled on a two-point conversion try and it paid off for an 8-7 victory over Amon-Carter Riverside. The battle of school day titans - both were ranked in the state's top ten - was all it promised to be. Arlington had to come from behind to score in the third period, then make the conversion decision.

Carter went to the dressing room with a 7-0 lead. They kept up the pace as the second and decisive half opened. The Eagles moved to Arlington's 39 on the first series of plays, but Hollingsworth put a quick end to the drive by intercepting a pass and returning it 50 yards to the Carter 18. A clipping

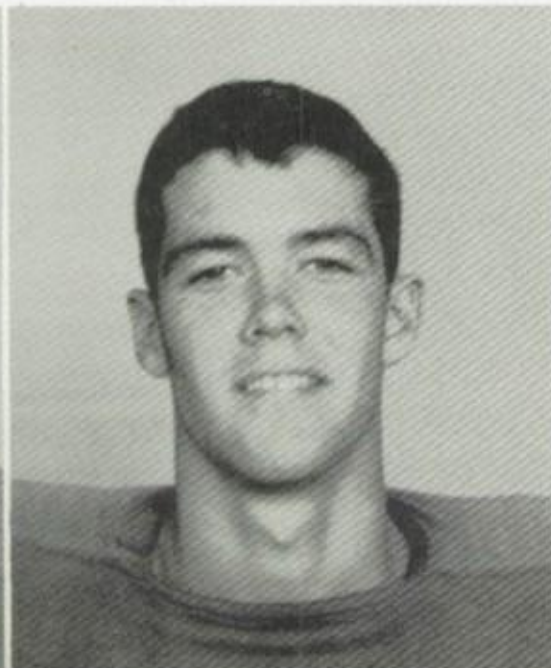

penalty shared the Colts back to the 32, but they were primed for the KO punch. Mike Inlow hit the run for seven and Cravens and Inlow moved it to the 13. Hollingsworth then hit Richard Ragland at the six. Hollingsworth pushed over from the one foot line. Then came the conversion decision. Hollingsworth went for broke. He whirled around left end, shook off a tackler, and had two points.

Carter made several futile attempts to score in the fourth period. With 31 seconds left they started one last frantic move. Jones raced 5 yards around end and then passed to Brown at the Arlington 20. The gun boomed as Brown was tackled.

Colts Breeze Past Denton, 28-6

Arlington's Colts powerhouse stuttered through the first quarter, began clicking in the second period, and caught fire during the second half to down a stubborn Bronco eleven. There was an air of upset about the beginning of the game as the Broncs repelled Arlington drives in the first period and showed signs of outgaining the favored victors. Shortly, after the end of the first stanza, however, the Ponies fielded a Bronco punt on their own 29 and started their first touchdown drive, which was climaxed with Tommy Cravens three - yard plunge. The pass for points was not complete to leave it 6-0. Cravens, Hollingsworth and Houston were key gainers in the 13-play payoff.

It took the Colts 10 plays to cover 69 yards for their next tally, with Mike Inlow plunging over

from the one yard line. Hollingsworth accounted for 25 yards in one gallop. The next score came from a safety after the ball sailed over Denton's punter into the end zone.

Hollingsworth intercepted a Denton pass and returned it to the 20. From there, the Colts started their next scoring drive, moving the 80 yards in only six plays. The final one was dazzling as Cravens went through the right side of the Denton line, cut to the left, and raced some 48 yards for the score practically untouched.

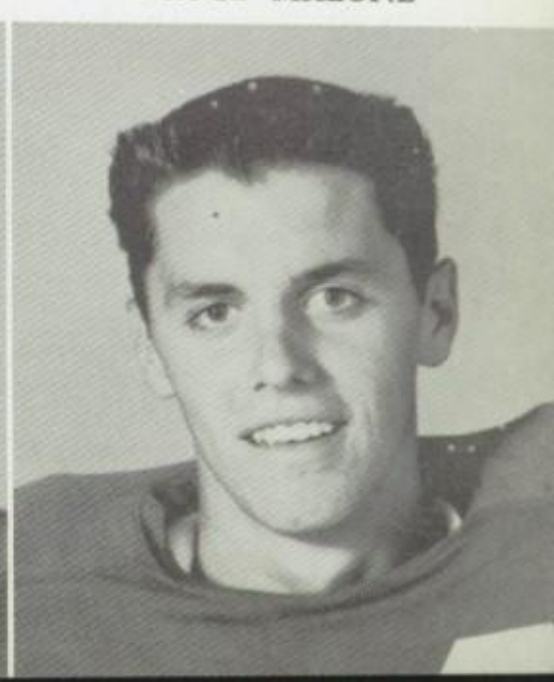

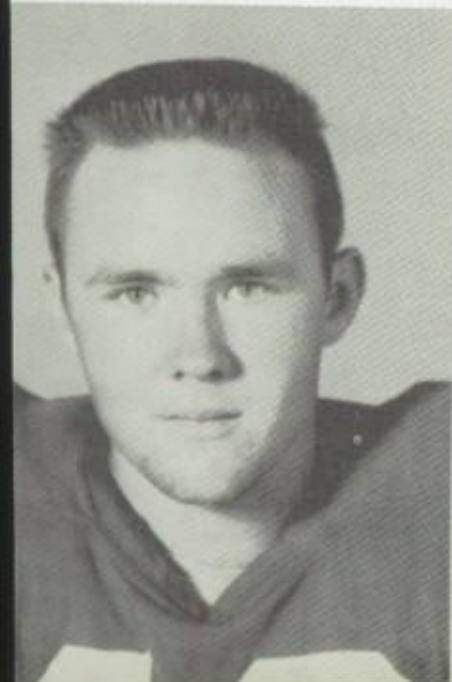

Taking over on the Denton 47 when David Busse fell on a fumble, the Colt reserves took only six plays to score again. Jerry Jones dashed for 17, and Dwayne Ivy got 9 on two tries. Brice Houston scored as he scampered over from the 15.

Inspired Gophers Tie Arlington, 0-0

An inspired Grand Prairie Gopher eleven rose to the occasion to tie highly-touted Arlington 0-0. The Gophers could not threaten the Colt goal line in earnest, but they held off numerous Colt drives.

Several Pony drives were frustrated deep in Gopher territory, one carrying to the five yard line. Other drives reached the Gopher 19, 25, and 27 before the eager Grand Prairie forwards could halt them.

One of the highlights of the night was a spectacular punt return by Mike Inlow. He took the punt on the Colt 48 and in trying to cross with the other safety man, Brice Houston, he collided with

the quarterback. Unperturbed, Inlow bounced off Houston, reversed his field, and scampered 33 yards down the left sideline to the Gopher 19 yardline. Another exciting play was a diving catch of a Hollingsworth pass by Richard Ragland on the Gopher 25.

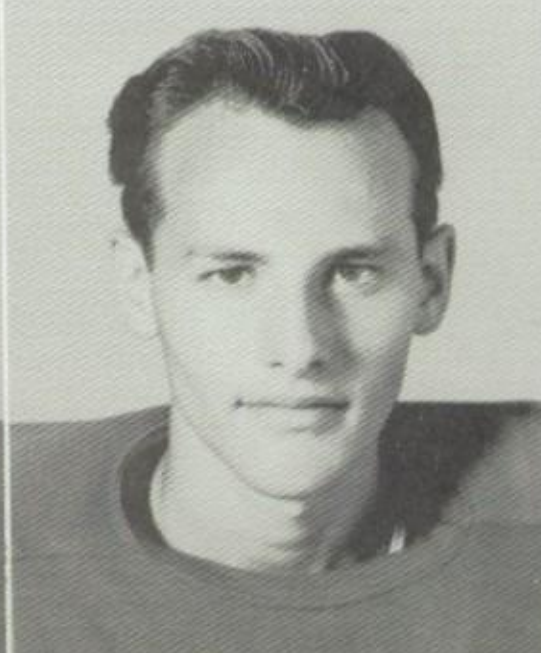

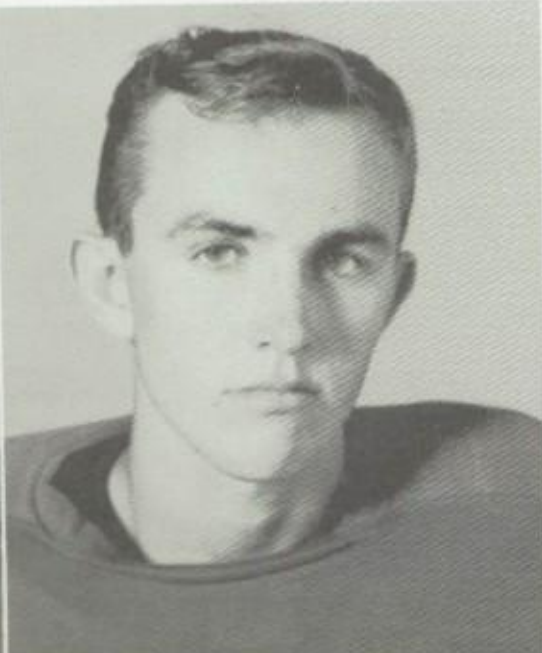

The Colts held the Gophers to 98 yards on the ground and 5 in the air. Outstanding defenders of the contest were Lucian Palmer, Jimmy Risher, Cleddie Keith, Skipper Johnson, Steve Jackson, and Brice Houston.

Colts Tip Birdville 19-8

The Colts remained undefeated as they handed the Birdville Buffaloes another loss. The game for the most part belonged to Arlington in the first half and Birdville during the second. The Colts, however, were able to stop most Buff drives before they got far. The lone Birdville touchdown came with slightly more than four minutes to go in the contest.

The Colts scored in the first, second, and fourth quarter. Late in the first, Benny Hollingsworth rounded left end for the final 2 yards of a drive which started from the Colt 31 and included a 20

yard pass to Tom Menz.

Early in the second stanza, Arlington drove to the Buff 2 inch line where Cravens fumbled the ball. The Buffs punted out to the 38 yard line, but on the next play Mike Inlow took the ball to the left side on a reverse and ate up the 38 yards for a touchdown.

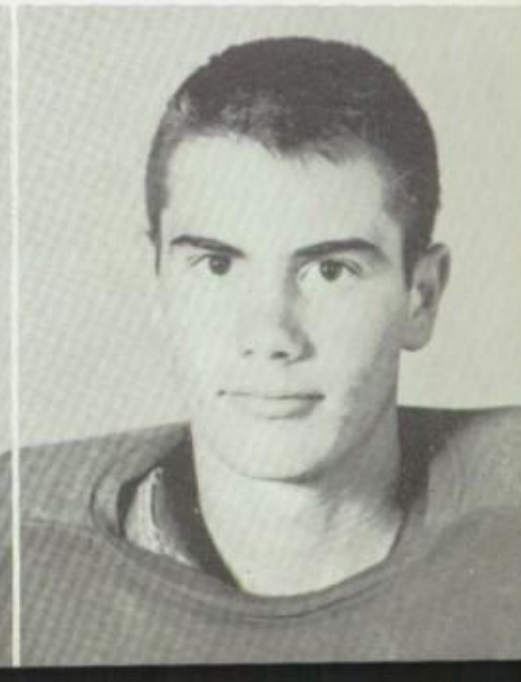

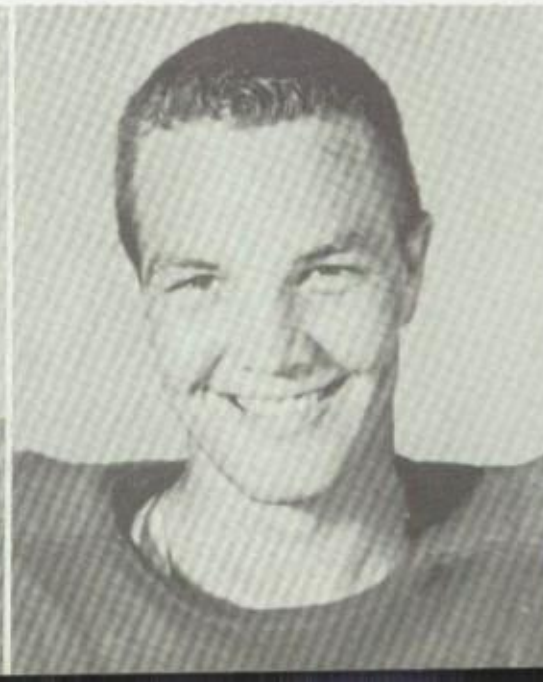

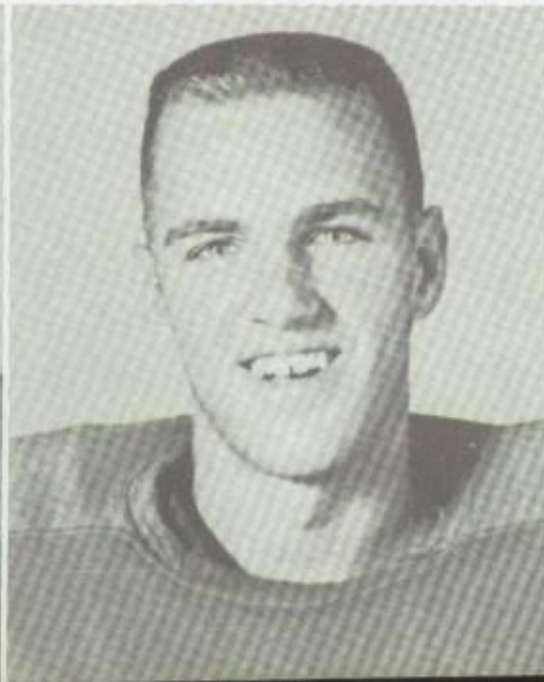

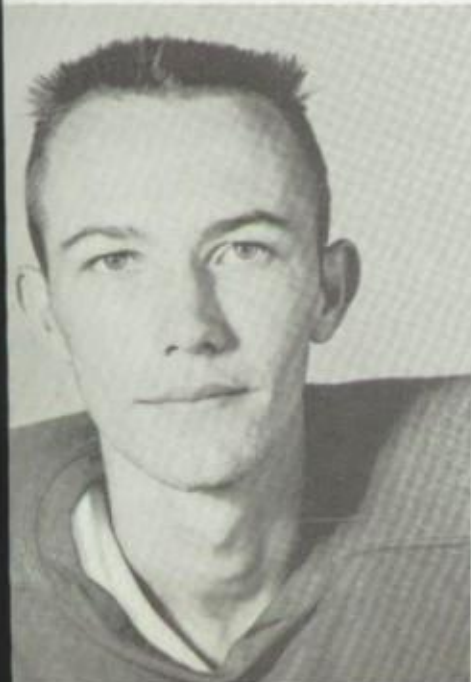

The next score came when Inlow intercepted a pass on the Colt 37 and returned it to the Buff 10. Jay Houston scored on an aerial from the eight. Andy Wright kicked the extra point.

Hard Fighting Colts Dropped By Coyotes, 20-6

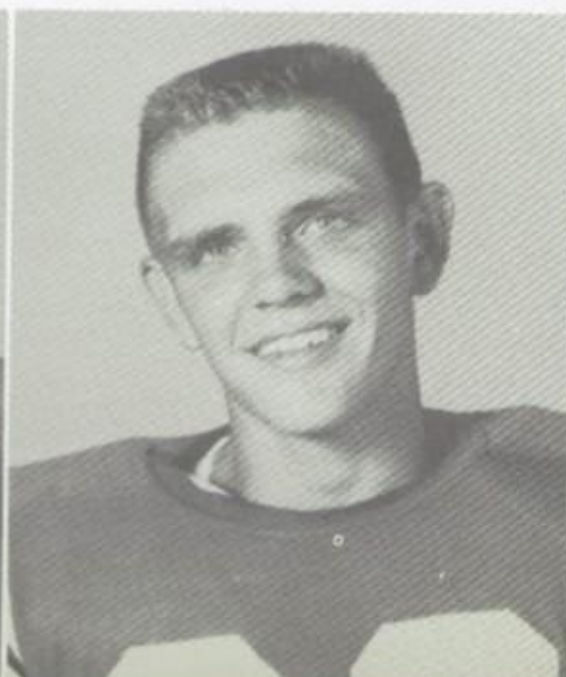

The game Arlington Colts, fighting a fierce but losing struggle, first tasted defeat at the hands of Wichita Falls, the defending state champions ground out a grueling 20-6 victory over the Arlington eleven.

Benny Hollingsworth brought the crowd roaring to their feet several times with his passing and running antics. On several occasions, Hollingsworth would find himself bottled up, and still manage to fire the ball with coyotes hanging all over him. Cleddie Keith, and Steve Brenning sparked for the Colts on defense, trying gamely to hold Shield and Reagon intact, but to no avail.

The Colts blasted down to the two yard line on

their second series. With a first and goal situation on the 3, Hollingsworth moved to the two. An off-sides penalty set the Colts back to the six and then Hollingsworth was smothered on the 10. With a fourth and ten facing his crew, Workman sent in Andy Wright for a field goal attempt. His kick from the 16 strayed to the left and the Coyotes took over.

The Coyotes, leading 8-0 at the half made it 14-0 shortly after intermission. Arlington scored in the third period on a 63 yard drive. Carries by Hollingsworth, Brenning, and Houston put the ball on the 22. A pass to Brenning moved it to the 14. From there the Colts were not to be denied and Inlow rambled across from the three. The conversion failed.

Wichita's final tally came in the fourth period when Shields scored from the one. Arlington made a desperate bid in the closing seconds to reach paydirt. In the last minute of play Hollingsworth rifled out nine passes for four completions.

Colts Slam Window on Season with Win Over Tigers

When the Arlington Colts closed the window on the 1959 season with a stunning 29-0 victory over Irving, they had snared a second-place share of district honors and racked up their best record since the championship team of 1951. By winning their homecoming tilt the Colts wound up with a 8-1-1 record, best only by the 1951 champions.

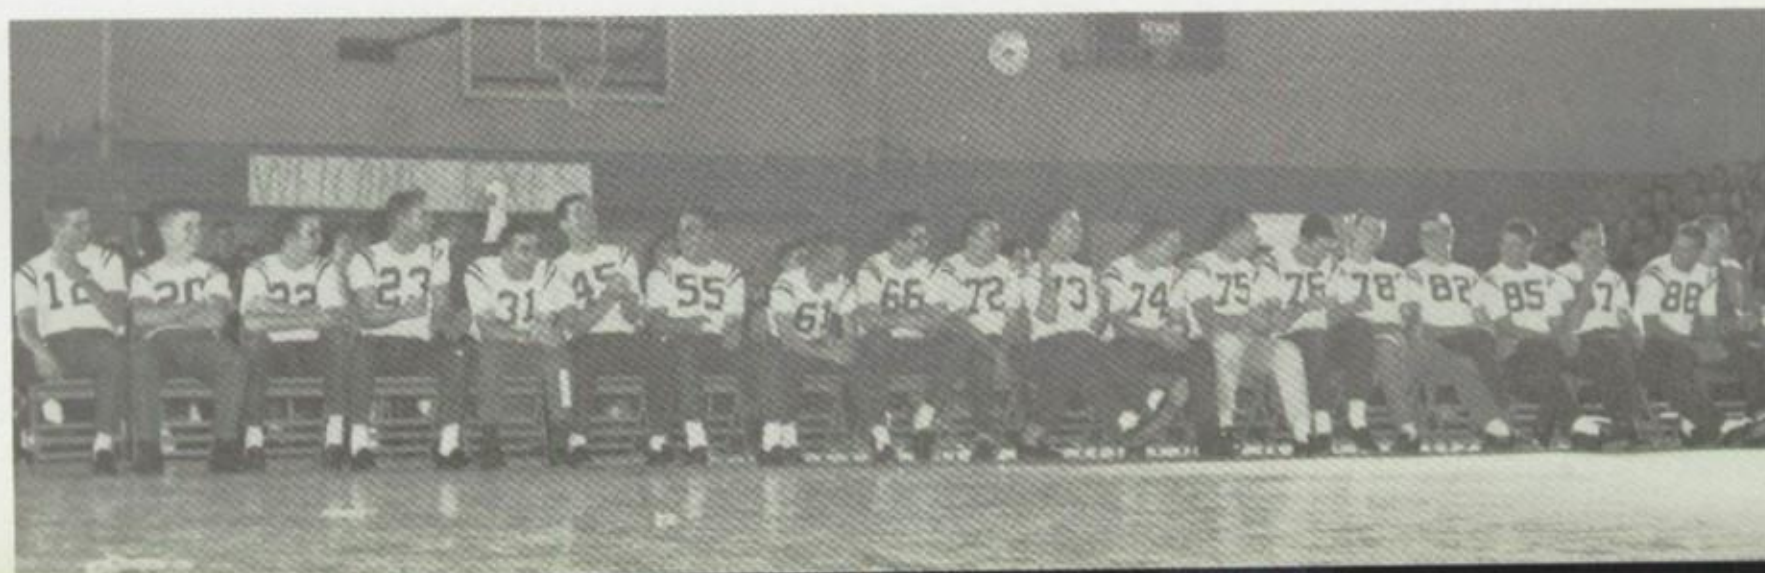

The Colts scored first with just 31 seconds left in the first period when Hollingsworth passed to Jay Houston for 13 yards. Hollingsworth then hit Bobby Biles for two points. The next Colt drive came a few minutes later when Steve Brenning intercepted a pass on his own 35 and returned it to Irving's 32. The Colts scored in six plays as Houston took a

pass and crossed just inside the flag. Hollingsworth added the extra point.

Two plays after the kickoff Hollingsworth intercepted a pass and returned it to the 23, from where the Colts began their longest march. They moved to the Tiger 24 from where Brenning took a pass and raced over for the score.

With time running out in the contest the Colts began their final payoff parade, moving from their own 22 to the Irving 5 in eight plays. Hollingsworth barreled over the left side for the final yardage. With six seconds left on the clock, Inlow kicked the placement to set the final count 29-0.

Seniors finally face the end.

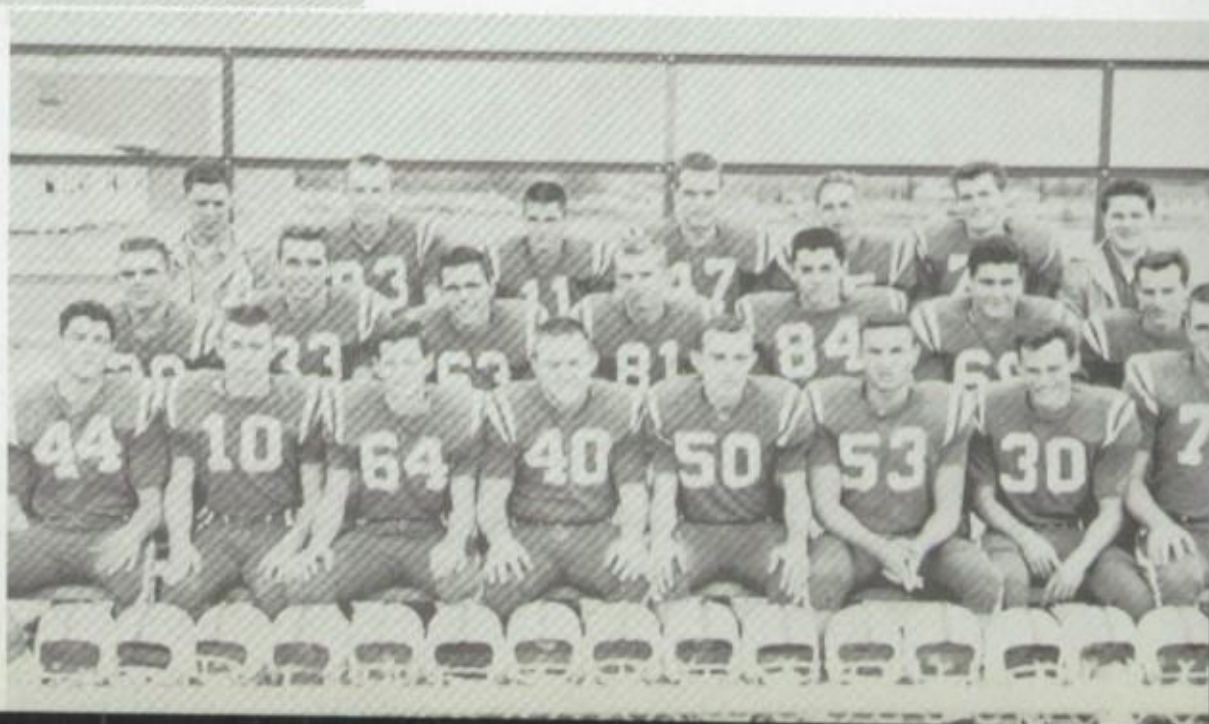

The starting offense for the Colts this season racked up 170 points and was held scoreless in only one game. The line included: Ragland, Richer, Skiles, Tierce, Russell, Gilstrap, and Biles. Backfield: Inlow, Hollingsworth, Houston, and Cravens.

The Colt defense held its opponents to a total of 69 points, while keeping four teams scoreless. State-Finalists Wichita Falls had to settle for 20 points while Carter suffered its only loss in regular season play at their hands. Line: Ragland, Busse, Palmer, Risher, Johnson. Linebackers: Jackson, Matthews. Backs: Brenning, Hollingsworth, and Keith.

These are the Seniors who ended their Arlington High School career this year: Hollingsworth, McPike, Russell, Palmer, Wright, Busse, Brenning, Gilstrap, Keith, Tierce, Redden. Also Bush, Cravens, Johnson, Ragland, Inlow, Houston, Thomas, Biles, Risher, and Jones.

This year the brilliant basketball "stars" of "62" dribbled themselves through a marvelous season. They played fourteen games in all, winning nine and losing five. Most of their losses were pre-conference games against mostly Fort Worth schools. The B team didn't attend any tournaments this year. The 1959-1960 Colt B Squad was made up of eleven sophomores and one junior. They started the season off with another sophomore Lee Bush, who was so skilled in his actions that he was placed up on the A team where he proved to be a great asset.

The B team had several outstanding players among them. One of these was James Klutz, their lone junior, who will no doubt have a main place on the "starting five" next year.

Sue and Dick Sophomore Favorites

Sue Hawkins, Sophomore favorite, is this year's choice for the top honors of her class. Sue was also named Homecoming Princess and participates in such activities as FHA and office assistance. Her sweet personality and friendly smile are the contributing factors to her popularity.

Dick Carmichael, although he has but a short career in Arlington High School, has already been elected president of the sophomore class and is on the Varsity Squad. Now he adds the honor of class favorite to his slate of accomplishments.

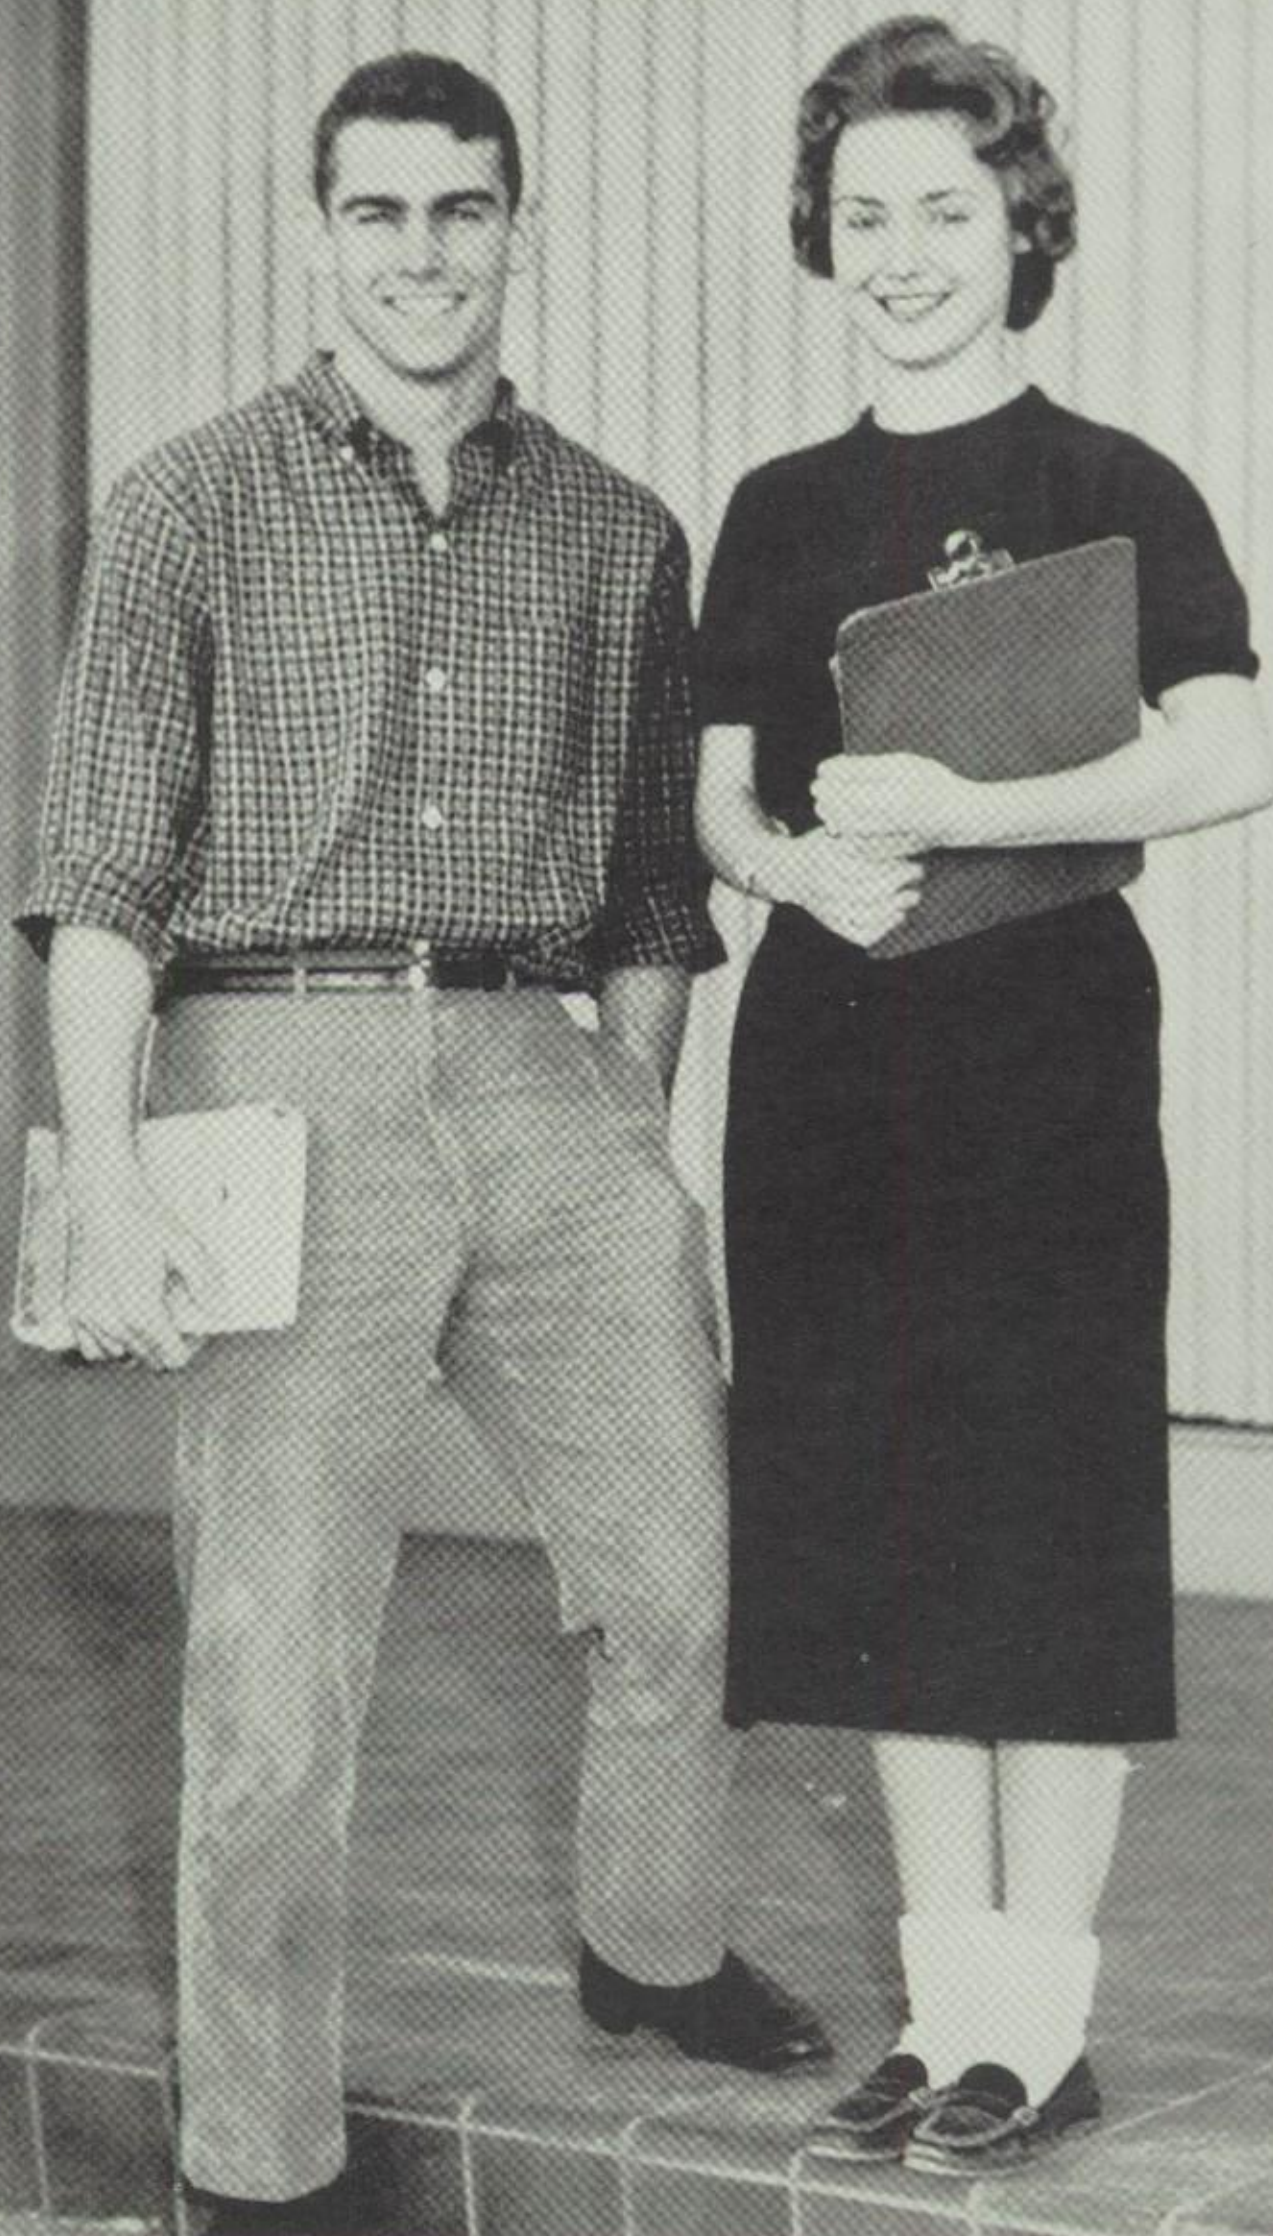

Karen and Jerry, Junior Favorites

Karen Raish, red-haired Junior, adds the title of class favorite to her list of honors. She has also been Valentine Sweetheart and social chairman of her class for the past two years. This year she represented her class as Homecoming Princess.

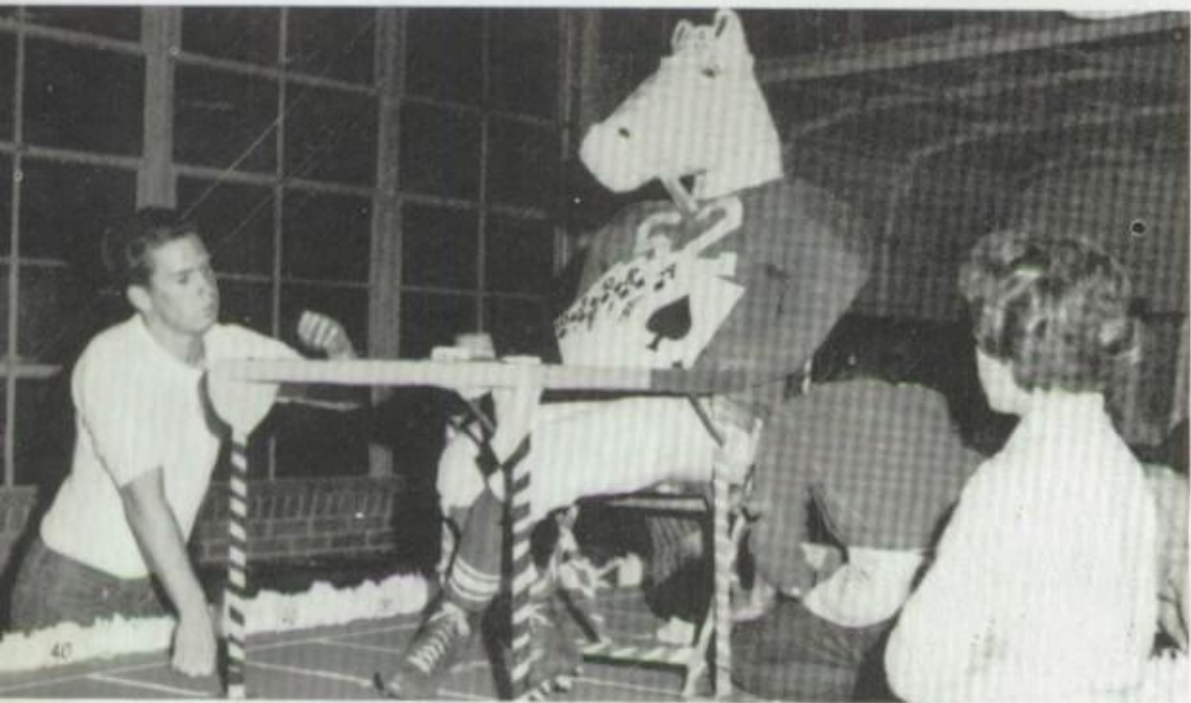

Jerry Jones, the junior class's selection for the favorite boy, lists the honor of vice-presidency of his sophomore class among his top accomplishments. In addition to this, he also plays on the varsity team and is vice-president of the Safety Council.

Mike and Sandra, Senior Favorites

Mike Inlow, senior favorite, is co-president of his class, vice-president of the National Honor Society, a member of the Varsity squad, and was also named FHA Sweetheart this year. His sense of humor and disposition make him one of the most outstanding upperclassmen.

Sandra McLellan, two years a class favorite, again takes this honor. She has held officer's positions in FHA, Safety Council, Camera Club, and Literary Club during her high school career. The title of Miss School Spirit is descriptive of Sandra's friendliness and warm personality.

CLASSES

The sponsors for the Sophomore Class are the following, (l to r) standing—Mr. Garrett, Mr. Thompson, Mr. Booher, Mr. Morrison, Mrs. Gardner, Mrs. Baker, Mrs. Ross.

Beginning Their Way Up

Sophomores got their first taste of high school life upon entering Arlington High School. Although they had the largest number of students, they learned to work and cooperate together with surprising unity. Hard work and enthusiasm for their class are two strong characteristics which will prove the Sophomores to be a valuable asset to Arlington High School.

Dick Carmichael conducts sophomore class meeting.

THREE DOWN, ONE TO GO

Third down and one to go! The class of '61 began their first year as upper classmen with new activities, friends, and teachers. The Junior prom, the most important social function of their high school year, proved to be an exciting event for all. The Junior boys' participation on the A-string football team was further proof that they had at last become "wheels." As Juniors, the responsibility for a well-rounded student body for the forthcoming year rested with them. They showed their enthusiasm and school spirit by campaigning as heartily as any of their predecessors. With only a few stumbles, they have almost reached the final step in the winding stairway to the top.

Junior president, Ikey Burrell presides over class meeting.

Stepping Into The Future

The Senior Class of 1960 is the first class to begin as "Fish" in the new building and to climb the ladder to the top. This class has something many classes do not--- togetherness. They proved this many times by winning first place float three consecutive years and best Halloween booth two years straight. Now an end has come to these happy high school days. We have joined together and enjoyed many good times. Although our lives will be filled with many more enjoyments, we will always keep these memories in our hearts.

Mike Inlow and Nelson Parker demonstrate parliamentary procedure.
